

# Fully Compliant LED Navigation Lamp Retrofit for Pipewelders Hard Tops

Part Number PW-FULL KIT;  
PW-G/R/W

## PRODUCT FEATURES

---

OEM Replacements for the hardtop LED navigation lamps are no longer available, leaving boat owners without an easy solution. Instead of paying fiberglass/ gel coat technicians for the time-consuming, expensive procedure of rebuilding the pockets to accept compliant lamps, simply install (caulk in) our adapters to retrofit our USCG/ABYC 2NM (50M/164 feet) certified navigation lamps. Quick and easy.
